MEMORANDUM FOR: Deputy Director for Administration

SUBJECT: Personnel Development Program

I regret that I was not able to have the thoughtful discussions with the Deputies on the PDP submissions. I do believe, however, that it would be useful for the Management Committee to sit and receive a briefing on this which could surface up some of the variations between the Directorates and Offices in some of the material submitted. It might also be useful for the Director of Personnel to have the specific discussion with each Directorate, perhaps the ADD, which I might have had with the DD, to point out material useful to the Directorate and to obtain clarification of some of the questions raised by the reports.
